Some thoughts for HS
Paradigms and practicalities
The Scientific Leader

• Think big
  – What important question?
  – What important contribution?

• Think ’team’
  – How to herd cats?

• Think panel
The Scientific Team

How to herd cats?

• Social tricks
  – Engage early
  – ’lab’ meetings

• Structural issues
  – PhDs?
  – Post-docs?
  – Bitr. lekt?
Scientific Results

• Publication practices?
• Anthologies
• Co-authored articles/books
• OA?
  – What do your team members need for their career progression?
