

Grants Office in your coffee room

On Tuesday the 11th of February, Grants Office will visit the coffee room Brage at TEMA, where we will be ready to answer your questions on research funding.

Discuss your funding strategies and available funding opportunities, or perhaps set up a search in research funding database Research Professional. So, please drop by sometime between 09.00-11.00 if you are curious about external research funding and the services provided by the Grants Office, or in need of practical support.

**Tuesday 11 February
09.00-11.00 (DROP IN)**
