Welcome and brief introduction

09:00-10:00: LiU Innovation
(Catharina Sandberg, Ali Moshfegh, Arne Jacobsson)

At LiU Innovation we give you advice and practical help to make your idea into reality. We consist of a team of innovation advicers with experience in building and running business. We can also give advice in how to protect your idea. Today we will present how and in what stage you can contact us and gives you some really good examples.

10:00-11:00: Grants Office
(Josefin Fernius, Agneta Jansson, Kirstin Kahl, Tove Kvarnström)

Grants Office will present general information about Grants Office, who are we and how can we help. We will also present information about the European Framework program Horizon 2020, with some more detailed information about Marie Skłodowska-Curie Actions and grants from the European Research Council (ERC). Kirstin Kahl, our financial officer will give you some general information about budget issues and financial reporting. Lastly, Tove Kvarnström, communications officer at Grants Office will give a short demonstration of the funding database Research Professional.

11:00-12:00: 5min presentations from all WCMM-fellows

WCMM-fellows will each give a short presentation, max 4 slides, with general research interest, questions and future plans.
